Children and Relocation: Risks, Buffers & Legalities

Presenters

Bill Fyfe, EdD & Marie Moses, Esq.

A parent wants to move away with the children. The other parent wants to be involved in the children's daily lives, but that won't be possible if the relocation is allowed. Relocation cases raise many psycho-legal questions, dilemmas, and conundrums and can be agonizing for all professionals involved, especially decision-makers. What are the risks for the children? What are the buffers that protect them? What does Colorado law have to say? Come learn about the mental health and legal complexities of relocation from two highly respected Colorado experts!

2 General Credit CLEs have been granted

Certificates of Attendance will be provided electronically for non-legal professionals.

Space is limited so register early! Deadline to register is February 1st at 12:00 noon.
